| 6 | <b>Course Synopsis:</b>                                                                                                                                                                                                                                                                                                                                                                          |
|   | The main objective of this course is to expose students to the rich culture and lifestyle in Malaysia. This is to foster and instill national unity. It will introduce various cultures to the local as well as the international students. This course will help to bridge the gap among students as well as further develop the understanding and respect for Malaysian culture and lifestyle. |
| 7 | <b>Course Learning Outcome:</b>                                                                                                                                                                                                                                                                                                                                                                  |
|   | Upon completion of the course, students should be able to:<br>1. Compare acceptable cultural practices, norms and lifestyle in Malaysia (A4,MQF LO 4 )<br>2. Organize program on cultural values, ethnicity and lifestyle in Malaysia (A4,MQF LO 9)<br>3. Analyse information on cultural and lifestyle issues (A5,MQFLO 4 )                                                                     |
